

The Director of Central Intelligence
Washington, D.C. 20505

National Intelligence Council

NIC 03863-85
1 August 1985

STAT

NOTE FOR THE DIRECTOR

During our brief conversation prior to the recent STAP meeting, I suggested that you meet with Don Hicks, Under Secretary of Defense for Research and Engineering, and [] to discuss their views of S&T intelligence and relationships among the Intelligence Community, the USDR&E, and STAP. You agreed and we are arranging a time for such a meeting.

Would you prefer a meeting in your office or would you like to host a lunch for those persons?

Julian C. Nall
NIO for S&T
